

Merry Mart Uniforms

Dear School Families and Administrators,

Merry Mart Uniforms happily announces our store re-opening on July 6th, 2021. You have been patient and cooperative during this past year and for that, we are most grateful. With the re-opening comes a smaller footprint due to a recent store remodel. As a result, our operational procedures have changed. Please make note of the following:

- Our store will now solely focus on incoming kindergarteners and students who haven't previously worn school uniforms.
- To accommodate these kindergarteners and new students, we offer an appointment calendar so you can select your time to shop, with a personalized touch, in 15-minute increments.

- To purchase uniforms for incumbent students, please continue to shop your school's uniform program at www.merrymartuniforms.com. If you have questions or need help with an online order, please reach out to us at admin@merrymartuniforms.com or 408-296-0423.
- Of important note, only kindergarteners and new students are allowed in the store at this time. Siblings are not allowed in the store as we want to best service our new Merry Mart families safely, respectfully, and with adequate physical space.

Store Hours:
